# Speak Week Prize Draw: Terms & Conditions

## Description

Speak Week is an annual campaign run by the Students' Union, where we give all students the opportunity to provide feedback on the changes that they want to see at Cardiff University. This is your chance to make your voice heard on the issues that really matter to you by responding to our online survey.

As part of Speak Week, we will be facilitating a prize draw, where one student who submits Speak Week feedback will win £250 in cash. A further 10 students will win a £20 voucher each to spend in the Students' Union building.

## Entry Requirements

All students who complete our online Speak Week survey or leave feedback at one of our campus stalls will be automatically entered into our prize draw if a valid student number is also provided. Students who do not provide their student number will not be entered, and incorrect or invalid student numbers will not count.

Individual student numbers will only be used for the purposes of this prize draw and will not be used for any other reason. All current Cardiff University students are eligible to enter the prize draw.

## Dates

Speak Week 2024 takes place between Monday 29<sup>th</sup> January – Friday 2<sup>nd</sup> February.

## Prize Draw Winners

The winners of the prize draw will be chosen at random following the end of Speak Week, once all survey responses have been received, and all comment cards from campus stalls returned. The winners will be contacted directly to their student email address by the Student Voice Team, where they can arrange to collect their prize. Winners who do not respond within a month of being contacted may forfeit their right to claim their prize.
